

Allen I.S.D. Advanced Music Course

Grades 10 - 12

Description:

1. Advanced Music

a) Course Description

This course is designed to allow students the opportunity to extend their musical education in an enriched, independent curriculum for college readiness. Students must demonstrate a higher level of musical understanding and be able to perform at the highest possible level both as an individual and as a member of an ensemble. Students are expected to demonstrate a high level of critical listening, musical understanding, technical ability, knowledge of the theoretical and historical foundations of compositions and present information in a well-written academic manner.

b) Student Expectations

This course is designed for students with elevated performance, communication and cognitive skills. Due to the independent nature of this course, students who elect to pursue advanced credit should be self-motivated and responsible. All assignments will be completed independently with the time-line provided by the instructor.

c) Admissions Criteria

In order to enroll in any advanced music course a student must:

- 1) Be enrolled in a fine arts music performing class (band/orchestra/choir) simultaneously; yearlong course;
- 2) Be recommended by the music director;
- 3) Have earned a minimum grade of **90** in the subject for which the student is applying their previous year (9-11)
- 4) Have a proven history of musical performance beyond the classroom (i.e. Solo & Ensemble, All-Region, UIL ensemble contests, etc.);

2. Elements and Objectives:

a) Solo

Students will perform music at the highest UIL performance level or equivalent advanced performance level. An assessment by a music director will also be required.

The students will adhere to the following guidelines:

- 1) Students will have piano or appropriate accompaniment on selections for which an accompaniment is written
- 2) The majority of the performance time during the performance must be on the student's primary instrument. The primary instrument is defined as that which is specifically served within the prescribed Allen I.S.D. music curriculum.
- 3) Individual directors may define specific criteria regarding the length of performances and required languages.

b) Research Paper/Project

Students will prepare a paper and a project on a musical selection or composer chosen for solo/ensemble, band/orchestra/choir concert selections, or other appropriate musical topics within one (1) year (one per semester.) Research should include accurate citations for all references consulted. Topics should be proposed in writing and receive director approval in advance. Topics may approach the music or composer in any of the following ways:

- 1) Stylistic and technical demands of the music;
- 2) Background of the composers;
- 3) Historical, economic, and political background of the period in which the compositions were written and their effect on the music; or
- 4) Other options approved by the student's director.

c) Participation in Competitive Events

Students will compete in the first round of the All-Region Music competition and TMEA All Region. Students will also enter and perform in UIL Concert/Sightreading Contest with their performing group(s) (Band, Orchestra, Choir).

d) Concert Critique.

Students will attend three professional, semi-professional or amateur music performances within one (1) year. Selection of professional events must have director's prior approval. A written critique must be submitted to the director following the performance. The critique should include background information about the performing ensemble, repertoire performed by the ensemble, historical and stylistic considerations in the performance as well as your enjoyment of the performance. This rubric must be stapled to the top of the critique. The concert program must also be turned in with the critique. The student's name should be written on the program, but do not staple the program to the critique. First person will not be used when writing the concert critiques. A concert critique cannot be one in which the student was a performer.
