

Private Lessons Request Form – Allen ISD Orchestra

Many orchestra students in Allen ISD take private lessons either through the school program or with an outside teacher. This individual tutoring is highly encouraged for students at all levels. Optional private lessons in the school are offered as a convenience for you and your student. String teachers are available for private lessons on a weekly basis. Our teachers are professional musicians with teaching and performing experience. They are carefully selected for their musicianship, conscientiousness, and ethics. *Time spent in private lessons may be recorded on your practice card (grades 6-8)!*

Lessons are scheduled during your regular orchestra period, as well as before and after school. Students who are enrolled for private lessons in school must commit to the program for the duration of the school year. Each lesson costs \$20.00 and lasts $\frac{1}{2}$ the class period. You may also elect to take full class lessons for \$40.00. Private lesson money is paid directly to the teacher. The teacher will discuss billing policy the first lesson.

Payment will be due by the second lesson.

Private lessons are strongly encouraged; the benefits are astounding!!!

IF YOU ARE INTERESTED IN LESSONS, YOU SHOULD SIGN UP AT THE BEGINNING OF THE YEAR
SCHEDULES OF OUR PRIVATE INSTRUCTORS FILL UP QUICKLY

Allen Orchestra Supplemental Music Program Enrollment Form

Student's Name / School / Period / Instrument
