ALLEN/LOWERY ORCHESTRAS SPRING TRIP

MARCH 8-12, 2019

LOS ANGELES, CALIFORNIA

Friday, March 8 - travel! - Knott's Berry Farms.

Attend LA Philharmonic Orchestra performance with Gustavo Dudamel.

Saturday, March 9 - Getty Museum, Santa Monica Pier, and LA exploration.

Sunday, March 10 – Universal Studios

Monday, March 11 - "You're Instrumental" - Disneyland/California Adventure

Soundtrack session: instrumental teaches concert bands and orchestras the importance of sight-reading and the critical role each ensemble member plays in creating great music. Students are put in a record studio setting during this fun learning experience through which they learn performance concepts and what it's like to work in the music industry. Workshop clinicians are composers, arrangers, conductors and studio musicians, each with Disney credit to their name. Our studios are the real deal, so when students put on a pair of wireless headphones and listen to the click track, they truly learn what it's like to lay down tracks like the pros. Each 90-minute session includes playback of actual Disney film clips with the musical score provided by your ensemble.

**national standards for this workshop has been recognized by MENC: the national association for music education for meeting the following content standards, as established in the national standards for arts education:*

"performing on instruments, alone and with others, a varied repertoire of music"

"reading and notating music"

"listening to, analyzing, and describing music"

"evaluating music and music performances"

"understanding relationships between music, the other arts and disciplines outside of the arts"

"understanding music in relation to history and culture"
